VOLUNTARY ANNOUNCEMENT REGARDING THE EXPANSION OF OPERATIONS INTO THE AMERICAS

The board of directors of 4Sight Holdings is pleased to announce that Digitata Networks Proprietary Limited ("DNSA"), a subsidiary of 4Sight Holdings, has incorporated Digitata Networks Corporation ("DNC") a Delaware, USA based wholly-owned subsidiary of DNSA, to expand their business into the North America's (USA, Canada and Mexico).

DNSA was recently awarded a Software as a Service contract by a Tier 1 Telco in the region, which created an extraordinary reference client, positioning DNSA to rapidly expand its business in the North America region.

DNC was formed to achieve growth for DNSA's short, medium and long-term business goals in the territory. This will be achieved by building a strong commercial and technical team in the region which will allow DNC to rapidly expand and sustain their business in the same time zone.

By positioning DNSA's products and services (build on our IoT- and NL-Platforms), multiple new opportunities have already been identified with Tier 1 and Tier 2 Telco's in Mexico and the USA and DNC's focus will be on closing and delivering these opportunities.
